Report – Print Authorization

The Report – Print Authorization is currently not working in the SAR system. This function will be fixed on June 2, 2007.   Please call the CMS Helpdesk if you need assistance in identifying the SARs for your county. The CMS Helpdesk will provide a list of SARs for a specific timeframe and you will need to print each SAR individually.   If there are any questions, please call CMS Help Desk.

Thank you.
